

Date	Day	Work Description
13-03-2026	Friday	Worked on Jawan dashboard UI design and frontend interface development.
16-03-2026	Monday	Worked on Jawan dashboard UI design and frontend interface development.
17-03-2026	Tuesday	Worked on Sanitary Inspector dashboard UI and workflow interface design.
18-03-2026	Wednesday	Worked on Sanitary Inspector dashboard UI and workflow interface design.
19-03-2026	Thursday	Worked on Commissioner dashboard UI and administrative visualization design.
20-03-2026	Friday	Worked on Commissioner dashboard UI and administrative visualization design.
21-03-2026	Saturday	Worked on GIS map digitization and spatial data preparation for Divisions 1 and 2 using QGIS.
23-03-2026	Monday	Worked on GIS map digitization and spatial data preparation for Divisions 3 and 4 using QGIS.
24-03-2026	Tuesday	Worked on GIS map digitization and spatial data preparation for Divisions 5 and 6 using QGIS.
25-03-2026	Wednesday	Worked on GIS map digitization and spatial data preparation for Divisions 7 and 8 using QGIS.
26-03-2026	Thursday	Worked on GIS map digitization and spatial data preparation for Divisions 9 and 10 using QGIS.
28-03-2026	Saturday	Worked on GIS map digitization and spatial data preparation for Divisions 11 and 12 using QGIS.
30-03-2026	Monday	Worked on GIS map digitization and spatial data preparation for Divisions 13 and 14 using QGIS.
31-03-2026	Tuesday	Worked on GIS map digitization and spatial data preparation for Divisions 15 and 16 using QGIS.
01-04-2026	Wednesday	Worked on GIS map digitization and spatial data preparation for Divisions 17 and 18 using QGIS.
02-04-2026	Thursday	Worked on GIS map digitization and spatial data preparation for Divisions 19 and 20 using QGIS.
04-04-2026	Saturday	Worked on GIS map digitization and spatial data preparation for Divisions 21 and 22 using QGIS.
06-04-2026	Monday	Worked on GIS map digitization and spatial data preparation for Divisions 23 and 24 using QGIS.
07-04-2026	Tuesday	Worked on GIS map digitization and spatial data preparation for Divisions 25 and 26 using QGIS.
08-04-2026	Wednesday	Worked on GIS map digitization and spatial data preparation for Divisions 27 and 28 using QGIS.
09-04-2026	Thursday	Worked on GIS map digitization and spatial data preparation for Divisions 29 and 30 using QGIS.
10-04-2026	Friday	Worked on GIS map digitization and spatial data preparation for Divisions 31 and 32 using QGIS.
13-04-2026	Monday	Worked on GIS map digitization and spatial data preparation for Divisions 33 and 34 using QGIS.
15-04-2026	Wednesday	Worked on GIS map digitization and spatial data preparation for Divisions 35 and 36 using QGIS.
16-04-2026	Thursday	Worked on GIS map digitization and spatial data preparation for Divisions 37 and 38 using QGIS.
17-04-2026	Friday	Worked on GIS map digitization and spatial data preparation for Divisions 39 and 40 using QGIS.
18-04-2026	Saturday	Worked on GIS map digitization and spatial data preparation for Divisions 41 and 42 using QGIS.
20-04-2026	Monday	Worked on GIS map digitization and spatial data preparation for Divisions 43 and 44 using QGIS.
21-04-2026	Tuesday	Worked on GIS map digitization and spatial data preparation for Divisions 45 and 46 using QGIS.
22-04-2026	Wednesday	Worked on GIS map digitization and spatial data preparation for Divisions 47 and 48 using QGIS.
23-04-2026	Thursday	Worked on GIS map digitization and spatial data preparation for Divisions 49 and 50 using QGIS.
24-04-2026	Friday	Worked on GIS map digitization and spatial data preparation for Divisions 51 and 52 using QGIS.
25-04-2026	Saturday	Worked on GIS map digitization and spatial data preparation for Divisions 53 and 54 using QGIS.
27-04-2026	Monday	Worked on GIS map digitization and spatial data preparation for Divisions 55 and 56 using QGIS.
28-04-2026	Tuesday	Worked on GIS map digitization and spatial data preparation for Divisions 57 and 58 using QGIS.
29-04-2026	Wednesday	Worked on GIS map digitization and spatial data preparation for Divisions 59 and 60 using QGIS.
30-04-2026	Thursday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
02-05-2026	Saturday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
04-05-2026	Monday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
05-05-2026	Tuesday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
06-05-2026	Wednesday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
07-05-2026	Thursday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
08-05-2026	Friday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
11-05-2026	Monday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
12-05-2026	Tuesday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
13-05-2026	Wednesday	Worked on main road digitization, segmentation, GIS data refinement, and map corrections.
